Learning Resources in school include exercise books, library books, online platforms for managing course content and assignments, interactive tools for engaging activities, and digital libraries

A prescribed Samsung Tablet with Sim Card is mandatory.

UK Administered Exams

UK administered exams at London Academy refer to standardized assessments that students take at various stages of their education, Check Point Exams, GCSE, A Level or IFY Exams. These exams are regulated by various examination boards in the UK.

Acceptance/Transfer Criteria

London Academy is a British Accredited School that requires interviews and entrance exams to assess student fit. The school considers references from previous teachers and academic records.

Age requirements: Students must meet the minimum specific age criteria for their year group.
